About

Company Profile

Welcome to Bath Decor NX

In 2001, Bath Decor NX was born from a vision—a passion for transforming spaces with tiles that tell a story. Unlike the ordinary, we were drawn to the allure of designer tiles, especially the art of 3rd fire tiles, where each piece becomes a canvas. It was just the three of us back then, driven by a shared dream. Fast forward to 2026, and our small team has blossomed into a family of 150, spread across seven retail chains and four franchises across India.

Our journey truly took off in 2017 when we opened our first retail store in Ahmedabad. It wasn't just a store; it was a statement—a place where tiles were more than just materials; they were expressions of art, carefully curated with a personal touch. Every tile selection, every design choice, reflects our hands-on approach. We don't just sell tiles; we set trends, introducing unique elements to the market that others soon follow.

With 25 plus years of unwavering trust from our customers, we've grown exponentially, not just in numbers but in influence. Our journey is far from over. As we continue to expand, our goal is to build a retail chain that's synonymous with style, quality, and innovation. At Bath Decor NX, it's not just about tiles; it's about creating spaces that resonate with personality and purpose.

Bath Decor has always stood up to the mark in quality parameters. We are here to define luxury in your bath, kitchen, living room and workplace with our aesthetic range of products and services.

Bath Decor brings you a superior set of designs and modern concepts from the lap of luxury so as to accomplish your dream of a gorgeous living space. We redefine the way people think about luxury and experience the same.

Selecting a niche decor idea can be a challenging as well as a confusing task! Well, Bath Decor solves your queries, all under one roof, with:

- Grand Product Range
- Eminent customer service
- Opulent purchasing experience
- Exquisite and exclusive designs
- Decisive cost
